IP20, Class 2 (Double isolated), 230V  
Cord: 400 cm, White  
Can the cable be replaced? False  
E27, Max. 75W, Light source not included

Area: Indoor

MOTION is elegant and stylish in its design. The light has a light appearance, as the small shades appear to “float” on the acrylic frame. The pendant provides a pleasant and comfortable light. Design by Bønnelycke MDD.
