Cord: 180 cm, Black
Can the cable be replaced? True
Switch switch on wall base
GU10, Max. 15W, Light source not included

Area: Indoor

Sway is extremely beautiful in all its simplicity. The minimalistic design reflects the design duo's sharp eye for tasteful lighting, where every detail has been carefully considered. The light is reflected both up and down, giving a soft and pleasant light. At the same time, the lamp's flexible swivel mechanism allows for a directional light that contributes optimal light conditions. A timeless series that can create joy for many years has been created.
