Cord: 200 cm, Black textile cable
Can the cable be replaced? No
E27, Max. 40W, Light source not included

Area: Indoor

Miry is a decorative series in metal with an element of white opal glass in the middle of the shade. The glass element protrudes both on the top and bottom of the shade, thus ensuring that the light is directed both upwards and downwards. The white opal glass covers the light source and contributes to a soft and comfortable light.
