A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. This model is designed with an upward facing lampshade. The built-in sensor ensures that the light turns on automatically when it detects motion nearby. At the same time, it ensures that the light is not turned on unnecessarily.

**nordlux®** 25031034

This luminaire is compatible with bulbs of the energy classes:
