 IP54, Class 1 (Earth contact), 230V
 E27, Max. 75W, Light source not included
 Parallel connection possible

Area: Outdoor
 Energy class A++ - D

The Delta wall light is similar to the classic Skot light, but this model has a much more modern design. The bulb is shielded by three metal bars that follow the beautiful curve of the Plexiglas, and this also creates interesting effects on the wall outside the light.

nordlux® 873031

This luminaire is compatible with bulbs of the energy classes:
